

FROM THE PASTOR

A season of gratitude

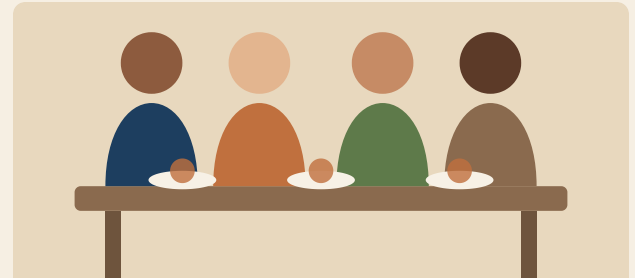

Every November, I'm reminded how much of this church's life happens in small, faithful moments: a meal dropped at a neighbor's door, a teenager reading Scripture for the first time, a quiet prayer before the 9:00 service.

This month we celebrate those moments together. Our Community Thanksgiving Meal returns on November 21, and for the first time we'll open our doors to the entire Port Haven neighborhood. Last year we served 260 guests. This year we're preparing for 400.

Gratitude grows when it's shared. Bring a friend, sign up to serve, or simply pull up a chair. There is a place at this table for everyone.
